Hey Juli,

I am finalizing the Kickstarter video for my HMD project, and it would be really good to show a Unity project. Any chance I could get my hands on the latest build of Shayd? It would get credited in the video, would be good publicity for the project!

Let me know as soon as you can, we are doing the video shoot tomorrow at 6. I can use an old build if need be (It will only be a short clip showing it), but the screencaps I have seen of the newer versions look amazing. 😊

Best,  
Palmer

Oh my god I don't really do Facebook much anymore do yeah. Do you have some decent footage? I have not managed to work out any of that stuff. I've been battling sinusitis for three weeks and I had to go back to the doctor today so I can fly tomorrow. I can try to figure out something better still soon but I thought you had said you had something usable. So now I'm confused. Let me know... Through email please. [REDACTED]
